Preacher: Rev Kenneth Stewart (Stornoway)

[0 : 00] Let's get in. But of course the ■■■■■■ência grows long, and then we so bear with that interest.

It looks like the ■■■ist efficacy of the relationship, and now, we so bear with that interest. One last question gets involved.

And now people start to birch on things like this.

And long in the centuries, they will see where they want to feed say they will destroy something nelvenne, bas batteries after arial lamp or two donates.

I bon ■■ numbers in the city but initially replied, although unemployed, in those countries are limited to theichoiren, so it used in the four days when I was, I declared that that in someone's world Also Demokratral by menadas.

That refers to the Apostolic tradition, the sacred Apostolic tradition, what he received from the Lord, what was given unto them.

[6 : 31] Here ever, Programs will not be created in the 1800s... if Illan will avenge them... There are a lot of courses which are had inrare for ch Well, I think it's a great thing.

Let a man examine himself. It's not a question to examine himself. And I think it's a great thing. It's a great thing to do with the same thing.

And I think it's a great thing. But I think it's a great thing. But I mean that's the right thing.

I mean it's a great thing. But I think it's a great thing. Because I'm not a good thing.

I'm not a good thing. I'm not a good thing. There's no point in examining unless you know what you are looking for.

[8 : 01] And in verse 29, When you are looking for a person, you have to find a body in the world.

There's a lot of people in the world. There's no body in the world. There's no body in the world.

But there's no body in the world. There's no body in the world. But around this time you can perform a body.

After conducting a daily life, you've done something behind you to make love.

And you've found something that's available to you . in English the new their and yourischen And snug foi as said Chancel These are believers, not only OrAT YNA, but not just Orsofocos, and from a leaf and fem cupinoid, gold andül cost Mealit, and from selling for example Duasiboine was 90■. First of all, fore all, I shall say, to them, and for the closing of life, the ■eby bubib ■ây■■.
