[0 : 00] BELAY But the Meras is doing well to my baggage for our youth during the Nous and After Mohammed■.

What I want to read is when I read the book of Matthew several years ago. The book is written a lot negatively is why my father already told up in a shame themselves.

My father has a fluid onosing the airtight försail of ■■■■■■■■ and entered by Jesus Christ. There are weimals that are going up every day, and theyalk favourite people of course love, and whether or not you or not para to find becomes a match because now theires are here.

So they live like a match because you're going to play such a match and form a couple games to come up here. but with such things, a very strong prowad Lei xia maân battling a hand.

In that mind, the desire is to go, As for every theory, Anything that consists of a message

Something that comes and is that it many good characters ■■■■ Merankeet When we come something Tiger who we are here and don't isolate him.

[2 : 11] How the filthy woman is in English and people who do not care. Then we are living up at this time. But when it just comes into English and that something we are living, Well, my my husband cannot be doing nothing without living down without living, Only once that breaks the Earth.

What do you think is that you are in the 10th century etc and I saw that a lot of the answer wasn't necessarily... But I wanted to ask, The time was upon this very long time, the young children were unable to abusive maison, they had babies in their houses, The time did you ask the■■■, as it leveraged from each country, The same thing is that the people who are living in the world are the ones that are living in the world.

The particular fullness or richness of communion and fellowship which they themselves enjoyed. They are living in the world and living in the world.

And the reason why the people who are living in the world are the ones that are living in the world that they are living in the world.

They are living in the world and living in the world. They are living in the world and the fullness of joy and of communion.

[4 : 01] The reason why the people who are living in the world are living in the world is that the people who are living in the world are living in the world.

But the people who are living in the world are living in the world. They are living in the world and living in the world.

They are living in the world and living in the world.

They are living in the world and all the things that they can live in the world and upon Miss autre Products that you live in the world. They can live in the world that is absent fromlying elsewhere.

The advent of the Holy Spirit on the day of Pentecost is a great day of Pentecost. The advent of the Holy Spirit on the day of Pentecost is a great day of Pentecost. The advent of the Holy Spirit on the day of Pentecost is a great day of Pentecost.

The advent of the Holy Spirit on the day of Pentecost is a great day of Pentecost.

And the other people, who were a gee- qualcuno, are why the people gave for him, Because I'm a pest no matter, it won't be much when any of you and by others There are times in the house of Jesus atau If didn't hear you Although we knew Christ according to the flesh, yet we know him no more.

[13:22] And he said, If you have a spirit, if you have a spirit, you will have a spirit.

You will have a spirit. You will have a spirit. And when we say, you will have a spirit.

And you will have a spirit. You will have a spirit. You will have a spirit.

And we will have a spirit. And you will have a spirit.

And we will have a spirit. They don't handle only the sterile of the disse you but it's not great robi Here it is all the pets It's not good aboutcéling every community To all of them and a single garden and Holy good.
