Preacher: Rev Murdo Alex Macleod (Greyfriars and Stornoway)

- [0 : 00] Viejscher 14 So that He is now ■st■■■, He wants to give Life just that you need to be based in your body, that you need to be on you.
- P erre PKg, from heat, helps and helps us together.
- reading the sequence during the passing of the Bible. And were I wrknown in the text, it even like in the text line, where I loved the text.
- Finally, his maiden group were bound toJayb, where he wasuran in different places. My words were filled with water and WASDM, and the food of the field was magical.
- And that's what I wrote in the book, I wrote in the book, The book is called The Hull, The book is called The Hull, The book is called The Hull.
- [2 : 18] I read the book, The Hull is called The Hull, The book is called The Hull, The Hull is called The Hull.
- And, in the first place, I have to go to the hospital, I have to go to the hospital, I have to go to the hospital for three days, and I have to go to the hospital.
- And I have to go to the hospital. The hospital is going to be in the hospital, and I have to go to the hospital, and I have to go to the hospital.
- And, in the hospital, I have to go to the hospital. The hospital is the hospital.
- The hospital is the hospital. In April, because of the hospital, it is going to be in the hospital in the hospital.
- [3 : 52] But, in a moment, there is motion. It is motion well God of Son has solved that this completely wrong thing and what God has to do and what it's in our hands like that healthy man deals with young people to handle■■■■■ dolphin and one again
- God is telling us And there is no burden on the ground.
- And where you're simply saying, dirt or grass has raced half and Woo defense is elf.
- If anyone else decided to sign me the Bible, that was when people were younger, I would not acknowledge the word.
- struggled with a cell in between necessities and relationships. And in 2007 when a person took his hand, he did was much better in foreign languages.
- [6 : 15] And when he Waters gave his son to his' oft but I also showed my friends that I have learned, and I have found a bit more interesting and exciting, like this most of the ancient, sozusagen weah can contest behind you.
- You have to say there's ... Something wrong with it.
- As if someone did us cope with that easily. What can you make then you leave your birth? What can youraise that I have, most people neer' government proud Mother.
- God protect us all over me! Wall our concerns, we'll remain in place and am in placebub chateeeee. The truth abouteth things is what we use Barthor actually!

Sometimes there's nothing, although the powers are told I teach a few people in the process ■■■ wear what face attention you thought of I have to go and see it.

[8 : 06] It's not a place to go. It's not a place to go. It's not a place to go. And it's not a place to go. This is the first time I was going to say.

I was going to say, I can't see it. I can see it. I can see it. I can see it. The ...
